Dear Name,

We are Passages Northwest supporters who care deeply about girls and their future. We've decided to make a lasting commitment to ensure that future generations of girls are valued for who they are and given every opportunity fulfill their dreams. We invite you to join us in making a planned gift to Passages Northwest today.

Many of us have said, "I wish there was a program like this when I was a girl." Now, many of us have young children in our lives who will be ready for Passages Northwest in five or ten years. We want to make sure that Passages will be here to offer high quality programs for them, and for all girls. But Passages Northwest isn't just about helping girls. It's also about changing our communities so that all of us - parents, teachers, counselors - are prepared to help girls succeed. Passages Northwest has made a long-term commitment to social change, and we want Passages and the girls they serve to know that we'll be there, too.

Making a planned gift to Passages Northwest allows us to combine our desire to impact girls' lives with our personal financial, tax and estate planning goals. Please see the enclosed flyer for more information about the options. And if you've already included Passages Northwest in your planned giving, please let us know so we can welcome you to the Courage Circle.

For us, making a planned gift to Passages was a personal choice that recognizes the special connection we have with the Passages Northwest community. We believe that Passages Northwest should and will be here, thriving, in ten, twenty-five, fifty years. We believe in the programs, leadership, and results that Passages Northwest offers, and in their plan for the future. And we know that Passages Northwest needs donors with the commitment and vision to ensure that its programs will be here when girls need them most.

Thank you for taking the time to consider making a long-lasting commitment to Passages Northwest and the girls who need our programs now and in the future. We hope you will join us as a member of the Courage Circle today!

Sincerely,

Annie Lareau, Passages Northwest Co-Founder
